

Anecdotal Record of Applied Phonics

Student Name: _____ Date: _____ Text Title: _____

	Phonics (decoding & encoding)			Word Recognition (decoding & mapping)		
	Phonics Skills	Yes	No	Word Recognition Skills	Yes	No
<input type="checkbox"/> when Reading (decoding)	short vowels			Decoding Strategies		
	single consonants			knows letters sounds in print		
	consonant digraphs/trigraphs			knows phonograms in print		
	silent consonant blends			sounds are produced left to right		
	schwa vowel			1:1 correspondence		
	soft c & g			can find the vowels		
	vowel digraphs			can blend out loud		
	diphthongs			Sight Word Strategies		
	vowel variants			instantly reads mapped words		
	multisyllabic words			instantly reads decodable words		
	suffixes w/spelling changes			segments sounds by tapping		
	multisyllabic words with affixes			segments sounds by mapping		
<input type="checkbox"/> when Writing (encoding)	short vowels			transcribes graphemes in order		
	single consonants			forms letters correctly		
	consonant digraphs/trigraphs			Notes:		
	silent consonant blends					
	schwa vowel					
	soft c & g					
	vowel digraphs					
	diphthongs					
	vowel variants					
	multisyllabic words					
	suffixes w/spelling changes					
	multisyllabic words with affixes
